

MAY THE FORETH BE WITH YOU

Dear HEAR Center Community Friends,

This spring, HEAR Center is inviting community and business leaders to HEAR Center's 45th Annual Golf Tournament "May the Foreth Be With You" at Red Hill Country Club in Rancho Cucamonga on May 4, a day where you help drive impact and change lives for children, adults, and older adults living with hearing and speech challenges.

For more than 70 years, HEAR Center has helped people at every stage of life be part of the hearing and speaking world by offering complete and affordable hearing and speech services, regardless of their ability to pay. From toddlers just discovering their first words to older adults hoping to stay independent and connected, your support ensures they don't miss the conversations, laughter, and everyday moments that give life meaning.

The HEAR Center Annual Golf Tournament has been the mainstay of our fundraising efforts for 44 years, raising more than \$1,000,000 to date. Founded in 1980 by concrete industry professionals Ruben Aman, Mal Gatherer, and Bill Donald—whose granddaughter, a child with hearing loss, became one of our early "HEAR Angels"—the tournament has grown to include the Who's Who of the Southern California construction materials industry and related businesses. Today, more than 35 companies and 150 individuals come together each year to play, network, and fuel our mission.

We invite you to donate to our auction this year. Your donation will drive impact by funding diagnostic hearing tests, community screenings, and speech and language therapy for children, adults, and seniors who otherwise might go without care.

As a donor, your company will be recognized on event signage, program, and website acknowledgment.

This year's "May the Foreth Be With You" theme makes the tournament an especially memorable experience for your clients, colleagues, and friends—a chance to enjoy a fun, galactic day of golf while knowing every swing helps someone hear more clearly, speak more confidently, and live more fully.

In this packet, you'll find an auction form. If you have questions, please contact Marisol Perez, executive director, at 626-796-2016, ext. 16 or marisolperez@hearcenter.org.

Together, let's swing for speech and hearing, drive impact, and change lives, so that even more HEAR Angels can hear, speak, and connect for generations to come.

Sincerely,

2026 Golf Committee

2026 HEAR CENTER GOLF COMMITTEE Chairman Jacob Brennan
